#### **5. NRCS CIVIL RIGHTS COMPLIANCE PROCEDURES**

##### **a) OUTLINE ANNUAL COMPLIANCE REVIEW SCHEDULE**

The annual CR Compliance Review schedule is predetermined on a five (5) year rotational basis wherein each NRCS State and US Territorial area is reviewed at least once during the five (5) year period. Between August and September of each year, the CRD contacts the upcoming States/Territorial areas to solicit their preferred dates. Upon confirmation of the agreed dates, but no later than October 1st of each year, the CRD must submit a copy of the upcoming FY NRCS CRCR schedule (States/Territorial areas and dates of each review) to the USDA, ASCR, Office of Compliance, Policy, and Training, Division.

Example of an outlined schedule notice to Department. Once the schedule has been set, CRD identifies/appoints the CRCR Team Leader and team members for each review.

In unforeseen circumstances when a scheduled review is not conducted, the review will be postponed for the following year (i.e., Natural Disaster, extreme conflict with schedule, etc.). Although a State's CR Compliance Review may be postponed to the following year,

future Compliance Reviews for that State will be based upon the State's original 5-year rotational schedule.

**b) PRE ON-SITE REVIEW PREPARATIONS and RESPONSIBILITIES**

- CRD selects the field offices to be reviewed 75 to 90 days prior to the review ensuring to select at least 20% of the number of the State's field offices. The following criteria are considered in selecting the field offices: previously visited offices; offices found significantly non-compliant during previous review; predetermined records that were requested in advance that reflect race, sex, national origin, and persons with disability (RSNOD) data on employees; accessibility reviews; Civil Rights and EEO complaint inventory; and/or program application processing and servicing.
- The Initial Contact Letter is transmitted to the respective STC at least 60 days prior to the scheduled review. A detailed Document Request for supporting information is included in the Initial Contact Letter. The deadline for return of the requested materials is 30 days prior to the team's on-site arrival. The Initial Contact Letter also identifies the field offices and locations to be visited. (See Attachment for Initial Contact Letter Sample)
- The CRCR Team will evaluate Employee Awareness by means of an online questionnaire that should take each employee approximately 20 minutes to complete. Within one (1) week after the date of the Initial Contact Letter, the CRD CRCR Program Coordinator transmits an e-mail message to all State employees with a hyperlink to access the questionnaire. Employee participation in this activity is strictly voluntary and confidential. Employees that choose to complete the aforementioned questionnaire must do so within the prescribed 30 day timeframe. (See Attachment for Employee Questionnaire)
- Approximately one (1) week after sending the Initial Contact Letter, the Team Leader distributes interview questions via email to all of the State's CRAC members, SEPMs, SAO, Public Affairs Specialist, and the ASTC for Operations and Programs. The interview questions should be completed and returned to the Team Leader within two (2) weeks of receipt of the email. (See Attachment for Interview Questionnaires)
- NLT two (2) weeks prior to the review, the Team Leader provides the State's Compliance Review POC a copy of the final itinerary. As a courtesy, the itinerary may be forwarded earlier if it is anticipated that the State POC may have any problems making lodging arrangements consistent with the teams' planned itinerary. (See Attachment for Sample Itinerary)

**c) ON-SITE REVIEW RESPONSIBILITIES**

- The on-site Compliance Review is based on a three (3) to five (5) day work week. The day of departure depends on the location of the State and the number of field offices to be reviewed.
- The AM of the first day of the review is dedicated to the State Office for the Entrance Conference and review of the State Office. The goal of the Entrance Conference is to set the State officials at ease and to promote an atmosphere of cooperation. Upon arrival, the Team Leader and, if scheduled, the Team Members meet first with the STC. During this meeting, the Team Leader introduces the team; discusses the purpose, authorization, and scope of the review; reviews the significant employee survey findings and the State's Section 508 Report; explains the various onsite activities; and confirms any last minute scheduling or logistical changes.

- The Team Leader provides the STC with the CRCR Team Evaluation Form for completion. This form is to be completed by the STC post the review and faxed to the CRD PCB Branch Chief at the number listed at the bottom of the evaluation form. (See Attachment for Evaluation Form)

After meeting with the STC, the Review Team meets with the State's principle staff for introductions and to set the tone for the onsite review process. The Team Leader reviews the goals and objectives of the review, explains how it will be conducted, and answers any questions about the review process. If not done prior to arrival, the Exit Conference will be scheduled at this time. The Team Leader ensures that an attendance sheet is routed and completed.

- Second and third days (Tuesday and Wednesday) are dedicated to reviewing field offices located throughout the State.
- The fourth day (Thursday) may include the review of a field office in the AM. If so, the afternoon of the fourth day may be reserved for return travel or for the team to meet to discuss their on-site findings.
- The last day is for the Team Leader and any remaining team members to conduct the Exit Conference by 9:00 AM; and travel return. The Exit Conference is usually scheduled between 8:00AM and 9:00 AM on the last day of the review. The Team Leader ensures that an attendance sheet is routed and completed. The STC decides on the attendees for the Exit Conference (The STC may reserve the right not to share certain findings with his/her management team). The Team Leader leads the Exit Conference to discuss the following items with the STC and management team:
  - Major review findings (If the STC objects to any of the preliminary findings, the team teleconferences with the PCB Branch Chief to discuss those concerns).
  - The Final Report will be received within 45 days of the Exit Conference date.
  - The Corrective Action Plan requirements for non-compliance findings (required actions) and that the State has 30 days to provide its Corrective Action Plan.
  - Reminder to complete the evaluation form and return it via fax to the PCB Branch Chief.

#### **d) ON-SITE REVIEW OF OFFICES**

The Team Leader: conducts or assigns the State Office's accessibility analysis/checklist (Form AD-2056); performs the public notification/poster review; and 230 file review. (See Attachment for form 2056)

- During each field office review, each team member:
  - Conducts a streamlined entrance conference (i.e. introductions, purpose and scope of review, and outline of review actions).
  - Performs the public notification/poster and 230 file review.
  - Conducts the accessibility checklist.
  - Interviews the landowners, Board members, and District Conservationist. (All interviews are allotted 30 minutes.)

**e) POST REVIEW RESPONSIBILITIES**

- The State has 30 days from receipt of the CRCR Report to submit its proposed Corrective Action Plan which displays the details of how the non-compliance required item(s) will be reconciled.
- CRD acknowledges receipt of the proposed Corrective Action Plan, reviews the proposed Action Plan, and notifies the STC of any suggestions and/or comments within 10 days of receipt.
- Upon acceptance of the Corrective Action Plan, the NRCS CRD Corrective Action POC notifies the State with a Corrective Action Plan acceptance notice and notifies the state that it has one year to comply with all required actions. The CRD Corrective Action POC and the State coordinate to identify the timeframe in which it will take to complete the proposed Corrective Action(s).
- Within 90 days, the STC notifies CRD with the State's quarterly progress report for its Corrective Action Plan and provides quarterly updates thereafter until completion. The State is required to submit supporting documentation of its compliance of the required actions.
- The CRD Corrective Action POC ensures receipt of the Corrective Action Plan and establishes a quarterly schedule for the State to report progress on the non-compliance findings.
- Upon completion of all Corrective Action items, the CRD Corrective Action POC initiates the State's CRCR final Close-out letter.
